The categories of transactions for which an overdraft fee may be imposed are those by any of the following means: share draft, in-person withdrawal, ATM withdrawal or other electronic means.

Overdraft Services

This account is eligible for certain overdraft services. Please refer to your account documents for more information.

Accrual of Dividends on Noncash Deposit

Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Nature of Dividends

Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period. The dividend rate and annual percentage yield are the prospective rates and yields that Horizon Credit Union anticipates paying for the applicable dividend period.

Average Daily Balance Computation Method

Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the end of day balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the calendar month.

Compounding and Crediting

Dividends will be compounded every month. Dividends will be credited to your account every month.

Transaction Limitations and Fees

Up to 40 drafts \$6.25 / month
41 drafts and over \$0.15 each
