

Children's Online Privacy Protection Act Notice (COPPA)

The Children's Online Privacy Protection Act (COPPA) restricts the collection, use, or disclosure of personal information from and about children under the age of 13 on the internet. COPPA is mandated by the Federal Trade Commission and requires websites and online services directed at children under the age of 13 to obtain verifiable parental consent before collecting or using personal information from children.

Horizon Credit Union (Horizon) is committed to protecting the online privacy of children and complying with COPPA requirements. Horizon's website and online services are not directed to children, nor is information knowingly collected from children. Should we receive information submitted online by any child under the age of 13, we will only use this information to respond directly to the child's request, notify parents, or seek parental or guardian consent.

Horizon is not responsible for the data collection and use practices of nonaffiliated third parties. For more information about the Children's Online Protection Act (COPPA), please visit the Federal Trade Commission's Website.
